ROADSHOW

Call for International Bus Manufacturers Santiago's Public Transportation System

Chile's Ministry of Transportation and Telecommunications and InvestChile, Foreign Investment Promotion Agency, cordially invite you to attend a roadshow for bus manufacturers.

The purpose of the event is to present specific business opportunities for the Bus Manufacturing Industry rising from the coming bid to Routes Operators of Santiago's Public Transportation System.

In the coming 2017 and 2018 Santiago's Public Transportation System bidding process, Operators to be awarded with contracts will need to acquire approximately 1,500 new buses for the year 2018.

At this event, bus manufacturers will be able to learn more about the bidding process to Operators and the main characteristics of this business opportunity. For further details, please click on the following [link](#).

The Roadshow will be hosted by the Minister of Transportation and Telecommunications, Paola Tapia, and the Director of InvestChile, Carlos Álvarez, at Intercontinental Hotel, 2885 Vitacura Ave., Las Condes, Santiago de Chile, on Wednesday July 12th, from 8:30 am to 18:30 pm.

Please confirm your assistance at the following [link](#).
